Parking Guidelines

*Everything you need to know about
parking in the Port Washington
Public Parking District*

GENERAL RULES

Parking permits and vouchers **are required** in order to park your car in any of the commuter parking lots between the hours of 6 a.m. and 3 p.m., Monday through Friday. These lots are free at all other times, including Saturdays, Sundays and legal holidays.

Parking vouchers are made to be displayed from the rear view mirror facing forward. You may also display the voucher on the dashboard facing forward in clear view so that the parking enforcement officer can see it.

The yearly permit must be affixed to your rear bumper. If you sell your car during the year and would like a replacement for a new car at no charge, you must peel off the parking sticker and bring as much of it as possible to the Parking District Office. You must know your sticker number if it is not shown on the portion you bring to the office.

Transferring parking permits from one car to another is prohibited. All parking permits in your name will be suspended for one year if you do so!

There is no overnight parking allowed. All commuter parking lots are closed from 3 a.m. to 6 a.m. every day in order to allow maintenance work to be performed.

SHOPPER PARKING

In addition to the metered spaces on Main Street, Port Washington Boulevard and some side streets, there are shopper parking spaces available in the following parking lots:

2-Hour Meters can be found in:

Lot #2 North Bayles Avenue
The parking lot behind Dunkin' Donuts

3-Hour Meters can be found in:

Lot #4 Maple Avenue
The parking lot behind Frank's Pizza

Lot #5 Main Street near Irma Avenue
The parking lot behind Carlos' Pizza

4-Hour Meters can be found in:

The parking lot on Shore Road near Main Street

Meter enforcement hours are 8 a.m. to 5 p.m.

Spaces with parking meters are not to be used by commuters or others who intend to leave their car all day. These meters require 25 cents per hour and you can be ticketed for parking in the same space for more than the maximum time allowed, even if you "feed the meter." The time limits and the hours when you must pay for them are posted on each meter.

FOR YOUR CONVENIENCE...

Daily voucher books can also be purchased at Alper's Hardware and Frank's Pizzeria, both located on Main Street, or at the Coffee Truck, which is located at the LIRR train station between 6 a.m. and 9 a.m. on weekdays.

Single day vouchers are available only at the Parking District Office.

Most on-street meters have free parking for ten minutes. Just press the button on the meter when you know you will be leaving your car for less than ten minutes.

Parking lots containing Multi Space Pay Stations will accept credit and debit cards and coins. The payment receipt **does not** have to be displayed in the vehicle

If you have a problem with a meter or see someone tampering with a meter, please call the parking District at 767-4628 or call 311.
